Re: Cellebrite – Certified Logical Operator & Certified Physical Analyst Training

Supervisor/Mayor Belmont and Members of the Town Board:

I respectfully request that Detective Antony Salov be allowed to attend the Logical Operator & Certified Physical Analyst Training Course on May 23<sup>rd</sup> through May 27<sup>th</sup> 2016. The training is given by Cellebrite at the Nanugatuck Police Department in Naugatuck, Connecticut. This training is designed for the operator to receive training and a certification on the universal forensic extraction device that allows him to download and analyze the information from cell phones and other handheld devices for investigative purposes.

The total cost of this training will be \$3,850.00.

Respectfully submitted,

Anthony Marraccini  
Chief of Police
